

YACHT PRINCESS VALERI

The “Princess Valeri” is a 43 feet open yacht model Mira 43.

Powered by 2 x350 hp engines it cruises between 25 and 30 knots with calm sea.

Outside comfortable enough for 12 people is right also for children due the wide direct passage to the big forward sundeck without dangerous walking around. You will find an external small kitchen, a fridge and big awning able to close partially or totally the cockpit to protect from the sun or the wind.

Inside careful design means that the spacious areas created for moments together can be exploited to the full, without having to sacrifice the indispensable privacy ensured by 3 separate cabins and 2 bathrooms.

The furniture is in American pink cherry wood, curved and glued using a high frequency process. The table is made entirely in myrtle briarwood. The floor in the dinette is mahogany strips edged in white maple and has inspection hatches. Lot of space, luxury details. Hi-fi, plasma tv, electric kitchen, oven, minibar guarantee a maximum comfort making you believe to be in an Hotel suite
